Financial Manual

I General

1. Buchanan County Head Start follows written procedures set forth in the financial manual. There is a system in place that ensures a check and balance system over any and all financial matters. All records are supported by accurate documentation. There are procedures set in place to determine the allow ability, allocability, and the reasonableness of the cost.
2. All financial & administrative policies are approved by the Policy Council.
3. The Head Start Director is responsible for all operations of the program, including financial management.
4. The Head Start Director is responsible to the Executive Director & the Board of Supervisors.
5. All employees follow the program's organizational chart.
6. The Financial Manager and Fiscal Asst. are responsible for the financial duties. There is a check and balance system in place to assure that no one person has complete financial access. There is a separation of duties between the two employees. Also, the program works with the County Administrator's Office and the County Treasurer's Office. Financial duties are separated so that no one employee has complete control over disbursements, payroll, payables, etc. Both fiscal personnel have a bachelor's degree in Business Administration.
7. Job Descriptions are kept and maintained on all employees and filed in their personnel records. Employees receive a copy of their job description at the beginning of each year during in-service training. Any and all changes made to job descriptions are approved by the Policy Council.
8. All financial staff and managers are bonded.
9. All program forms will be typed or completed in ink.
10. All grants and contracts will be disbursed based on the funding source requirements.
11. An audit is conducted with Buchanan County each year.
12. The lines of authority on the program's organizational chart will be followed by all employees.
13. Chart of Accounts:
 - a. 200's – Salaries & Fringe Benefits (Salaries, FICA, Retirement, Hospitalization, Unemployment & Worker's Comp.)
 - b. 400's – Supplies (Component, Teacher, Office, Classroom, Medical, Cleaning, Equipment, Literacy, Postage & Copier/Computer)

Financial Manual

- c. 500's & 600's – Other (Mandated Screenings, Insurance, Rent, Telephone, Advertisement, Dues, Local Travel, Utilities, Vehicle Maintenance, Classroom Maintenance, Water/Sewage, Food, Drug Testing)
14. Separate books and accounts will be maintained as required by the funding source. BCHS keeps books both computerized & manual.

Financial Manual

II. Cash Receipts

1. The Financial Manager and the Financial assistant are the only employees allowed to request funds.
2. Funds are requested twice a month: processing of payables and payroll.
3. Funds are requested in the amount needed for expenditures only.
4. Funds needed are processed by the fiscal employee and approved by the Director before drawing down the funds. The amount of funds needed is processed against expenditures to be paid minus any cash on hand or USDA expenses. USDA reimburses the program each month for children's meals.
5. Two copies of a fund request is submitted to the Treasurer's office and signed off by the Deputy Treasurer when funds are received. A copy is kept in the Treasurer's office and the Head Start office.
6. The amount of draw downs/funds received is recorded in the ledger monthly.
7. The funds request form signed by the Deputy Treasurer is kept in the cash receipts/transmittal book, and the funds request form approved by the Director is kept on file and used to prepare a monthly expenditure sheet using expenditures and draw downs monthly. This worksheet will match the amount of expenditures against the amount of funds received. If there is cash on hand, this amount is taken off before requesting or drawing down funds the next time.
8. Funds are requested using the Payment Management System and are requested the day before expenditures are to be disbursed.

Financial Manual

III. Cash Disbursements

1. Requisition forms are filled out completely and approved by the director before a Purchase Order number is issued. Purchase order numbers & requisition forms are kept in a locked file cabinet with only fiscal personnel having access.
2. Purchase order numbers are run by the financial assistant. They are pre-numbered and consist of the following information:
 - a. Date
 - b. Vendor
 - c. Vendor's Address
 - d. Goods or Services rendered
 - e. Amount
 - f. Person requesting Purchase Order
3. Purchase Orders, requisition forms & invoices are signed by the Director before making payments/disbursements.
4. Bills/invoices are processed as soon as they are received by the financial assistant. Bills are totaled twice for accuracy and put into the Business Work's Accounts Payable module. A complete list of all bills/invoices is submitted for payment approval to the Executive Director & Grantee board on the 25th of each month. The financial assistant keeps a record of all Purchase outstanding purchase orders. Should an invoice not be received before submission of the bill listing, another bill listing is submitted to the Executive Director and these are paid with payroll. This method ensures that ALL bills/invoices are paid on time & by their due dates.
5. Checks are kept in a fireproof safe located in the fiscal record room.
6. Only fiscal personnel are allowed to key in information to the Business Works program to generate any checks.
7. Three signatures are required on the checks: County Administrator, County Treasurer and Chairman of the Board. Checks are stamped with these signatures in the County Administrator's Office & then in the Treasurer's Office. Checks are left in the Treasurer's Office vault overnight and picked up the next morning for disbursement.
8. Checks are in duplicate form: Original – Payee, Yellow – Treasurer's copy, Pink – Head Start's copy.
9. All checks are pre-numbered.
10. Voided checks will have "Void" written in ink across the amount and signature part of the check.
11. No checks will be written out to cash or petty cash.

Financial Manual

12. No checks will be signed in advance.
13. Checks will only be prepared when there is verified documentation.
14. Checks shall not be prepared on verbal authorization.
15. Bank reconciliation is done through the Buchanan County Treasurer's Office.
16. The Deputy Treasurer/County Bookkeeper receives monthly bank statements and contacts the Head Start office if there are any outstanding checks.
17. The financial assistant will make contact with any vendor who has not cashed a check within the adequate amount of time. If need be, the financial assistant will put a stop payment on a check or void the check and re-issue a new check.

IV. Purchasing, Receipts of Items Purchased & Payment

1. Purchase orders are prepared by the financial assistant & approved by the Director.
2. Purchase orders numbers are maintained in a locked file cabinet.
3. Requisition forms are pre-numbered and maintained in a locked file cabinet.
4. Before making a purchase, a requisition form is filled out completely and approved by the Director. It is then brought to the Fiscal Asst. for a purchase order number to be issued. After the items are ordered, an invoice is brought back and processed by the Fiscal Asst. for process of payment.
5. Requisition forms must have the following information: date, vendor, account to be charged, what is to be purchased, the purpose of the request, signature of employee making the request and the approval of the Director.
6. If items are ordered by phone, the requisition is placed with invoices to be paid and is attached to the invoice when it is received.
7. All invoices and requisition forms are approved by the Director. All invoices are signed off by the Director & Executive Director each month before payment.
8. Before any purchase can be made, it must first be determined if there are available budget funds, if the purchase is allowable under the terms outlined in the budget, and if the purchase is necessary for program efficiency.
9. All purchase orders are signed by the Director and a copy is filed with each invoice.
10. Any purchase order that is voided will have "void" written across the face of the purchase order and kept on file.
11. The Buchanan County Head Start follows the procurement policy set forth by the Buchanan County Board of Supervisors which also meets the guidelines set forth in the Performance Standards regarding purchases. Large purchases are made ONLY with policy council & funding source approval.
12. The percentage of federal funds spent is documented and kept on record for supplies and equipment.
13. All invitations for bids/requests for quotes will be based upon a clear and accurate description of the technical requirements for the material, product, or service to be purchased. Bid specs should be definite and as detailed as possible and contain clear specs that do not contain features that unduly restrict competition. All efforts will be made by the BCHS to utilize small

Financial Manual

- businesses, minority and female owned business sources of supplies and services when applicable.
14. When three (3) quotes can't be obtained, the reason shall be noted along with the quotes received. Should special circumstances require the selection of a vendor who does not quote the lowest price, note the reason on the file copies of the purchase order.
 15. In selecting a supplier, where a wide variety of items are being purchased, the lowest price on a few items is not always a major factor, such as factors of reliability, service, and quality of the product, Delivery and customer satisfaction should be considered in making/handling purchases.
 16. Contractors that develop/draft grant applications, contract specifications, and statements of work, an invitation for bids and or request for proposals are excluded from the bidding for the procurement.
 17. No purchase will be made for employees using the program's name.
 18. Purchasing is done through the Buchanan County Central Purchasing Department when supplies/materials are available.
 19. The fiscal asst. will collect the following documents, check them for accuracy and assemble them in the following manner:
 - a. Packing slips will be checked when items are received
 - b. The purchase order along with the tape listing the amount due will be attached to the invoice
 - c. If items are not received, the fiscal asst. will keep a record and follow up
 20. Goods and services are received prior to payment in most instances. The fiscal asst. enters the information from approved invoices into the Business Works Accounts Payable module.
 21. An invoices selection report is run monthly and submitted to the County Administrator's office for approval by the board. Some bills such as utilities, telephone, gas, etc. may not have been received in time for the bill listing submission. In this case, a work sheet is completed and taken to the Executive Director for approval and these invoices are paid with the payroll. The fiscal asst. calls the secretary to the Executive Director/County Administrator to make sure invoices were approved in the meeting before running checks.
 22. The monthly bill listings are signed by the Executive Director/County Administrator each month and kept on file.
 23. Payments are made by the 15th of each month.

Financial Manual

24. The fiscal asst. and Financial Manager check invoices against the report for accuracy before running checks.
25. The fiscal asst. runs the Accounts Payable checks, fills out the check register; a fund request forms and requests the funds. Funds request forms are approved by the Director.
26. The fiscal asst. takes the checks to be stamped. All checks have the following signatures: County Administrator, County Treasurer and Chairman of the Board. The county payroll or county accounts payable clerk will stamp checks and check against the bill listings that were approved for that month.
27. Checks are picked up the next morning and mailed. The Financial Manager checks each invoice against the check and marks the invoice paid and the check number.
28. Invoices, requisition forms and purchase orders are bound each month with a copy of the monthly check register.
29. Large purchases made by BCHS will be approved in writing by the funding source and received before being made if funds were not included in the budget.

Credit Cards

BCHS does not have any active credit cards. All purchases are made by using purchase orders or by staff paying for items and being reimbursed. Reimbursement is made only if the purchase/travel was authorized by the Director.

BCHS uses Food City cards when making purchases from the local grocery stores. This method is in lieu of the use of the PO. The program is then billed on a monthly basis. Only managers, fiscal personnel, teachers and the family service provider use these cards. Food City card purchases are handled the same as other purchases. A requisition form must be filled out and approval by the director and is necessary before a purchase is made. Cards are maintained in the financial assistant's office and must be checked in and out.

BCHS uses gas cards for some of the agency vehicles/ buses. These cards are kept in the vehicles, and only those who drive agency vehicles have a code to enter at the gas pumps. Vendors still receive a running PO # for the year. BCHS follows the Board of Supervisors policy when using these cards for agency vehicles. Gas cards are kept inside the agency vehicle and only used when

Financial Manual

needed & by authorized personnel. These cards are used ONLY for gas purchases or items pertaining to vehicle maintenance that can be purchased at the gas stations.

Financial Manual

Allowable & Allocable Cost

BCHS follows the standard procurement guidelines set forth and followed by the Buchanan County Board of Supervisors. All purchases made are approved by the Director prior to the purchase. Financial Manual

The Buchanan County Head Start follows the Buchanan County Board of Supervisor's Procurement Policy as outlined on the following pages:

[§ 16-1 Title; purpose; applicability.](#)

[A.](#)

This policy may be cited as the "Buchanan County Procurement Act of 2002," effective July 9, 2002, herein sometimes referred to as "policy."

[B.](#)

The purpose of this policy is to provide for the fair and equitable treatment of all persons involved in public purchasing by the Board of Supervisors (hereinafter "County"), to maximize the purchasing value of public funds in procurement and to provide safeguards for maintaining a procurement policy of quality and integrity.

[C.](#)

This policy applies to contracts for the procurement of goods, services, insurance and construction entered into by the County involving every expenditure for public purchasing irrespective of its source except those procurement contracts entered into with other political subdivisions of the United States of America, the Commonwealth of Virginia or Buchanan County.

[D.](#)

The provisions herein shall not apply to those contracts entered into prior to the adoption of this policy, which shall continue to be governed by the laws in effect at the time such contracts were executed.

[E.](#)

To the extent that amendments to the Virginia Public Procurement Act ("Act") render any of the provisions of this policy unlawful, this policy shall be considered to be automatically amended, without action by the County, to bring the offending sections into compliance with the Act.

[§ 16-2 Definitions. \[1\]](#)

The following words, terms and phrases, when used in this policy, shall have the meaning ascribed to them in this section, except where the contract clearly indicates a different meaning:

[BUSINESS](#)

[1]

Editor's Note: See Virginia Code § 2.2-4301.

§ 16-3 Cooperative procurement. [1]

The County may participate in, sponsor, conduct or administer a cooperative procurement agreement with one or more public bodies or agencies of the United States or the commonwealth for the purpose of combining requirements to increase efficiency or reduce administrative expense. Any public body which enters into a cooperative procurement agreement with the County that has adopted alternative policies and procedures pursuant to the Virginia Procurement Act shall comply with this policy except as otherwise noted herein.

[1]

Editor's Note: See Virginia Code § 2.2-4304.

§ 16-4 Purchasing system created; purchasing agent generally.

A.

There is hereby created a purchasing system for the County to operate under the direction and supervision of the County Administrator, who shall be the purchasing agent for the County. The purchasing agent may delegate the administrative purchasing responsibility to a responsible subordinate, upon written approval of the County.

B.

Financial Manual

The purchasing agent shall serve as the principle public purchasing official for the County and shall be responsible for the procurement of goods, services, insurance and construction in accordance with this policy, as well as the management and disposal of supplies.

C.

In accordance with this policy, the purchasing agent shall:

(1)

Purchase or supervise the purchasing of all goods, services, insurance and construction needed by the County.

(2)

Exercise direct supervision over the County's central stores and general supervision over all inventories of goods belonging to the County.

(3)

Sell, trade or otherwise dispose of surplus goods belonging to the County.

(4)

Establish and maintain programs for specifications, development, contract administration and inspection and acceptance, in cooperation with the public agencies using the goods, services and construction.

D.

The purchasing agent shall have the power to:

(1)

Purchase or contract for all goods, services, insurance and construction required by a using department, except as otherwise noted in this policy.

(2)

Ensure the inspection of all deliveries of goods, services or construction purchased through him to determine conformance with the order or contract.

(3)

Act to procure for the County the highest quality in goods, services, insurance and construction at the least expense to the County.

(4)

Endeavor to obtain full and open competition as reasonably possible regarding all purchases and sales.

(5)

Keep informed of current developments in the field of purchasing, prices, market conditions and new products.

(6)

Secure for the County the benefits of research done in the fields of purchasing by other governmental jurisdictions, national societies, national trade associations and private business and organizations.

(7)

Prepare and maintain a vendor's file containing catalogs, descriptions of commodities, prices and discounts.

(8)

Financial Manual

Declare vendors who default on their quotations as irresponsible bidders and disqualify them from receiving business from the County for a stated period of time, subject to written approval by the County.

(9)

Develop and maintain a current file of sources of goods, services, insurance and construction to be known as a "bidders list" to which vendors can request to be added.

(10)

Maintain an accurate listing and status of all outstanding contracts, including expiration dates, establish a list of the needs assessment of the several departments, develop a process for renewal of expiring contracts and develop a checklist to evaluate the quality of completion of all contracts.

(11)

Perform all other functions and duties, including administrative service to the procurement committee, in keeping with sound purchasing practices and such other duties as may be assigned.

§ 16-5 General procurement procedure.

After receiving a request for goods, services or the like, from a using department or agency, the purchasing agent shall promptly proceed to satisfy the requirements in the most efficient manner. Where practical, standardized inventories, standardized specifications, existing contracts and the use of free and open competition should be used to satisfy these needs. This process will require proper planning by the using departments to prevent unreasonable delays or the use of unsound purchasing practices which may not be in the best interest of the County. The purchase requisition shall include specific detail, brand name or adequate specifications to ensure the procurement of the item needed.

§ 16-6 Vendor-County relationship.

The relationship between the County, as purchaser, and the seller is one of mutuality. It is the responsibility of the purchasing agent to establish a relationship of mutual confidence and satisfaction between the County and its suppliers. It is, therefore, necessary that the purchasing agent be aware of all transactions that are conducted between the County and its suppliers. Departments should not be burdened with visits from suppliers. The County's time and that of suppliers will be saved if the following procedures are observed:

A.

All vendors' representatives shall follow procedures established by the purchasing agent when it is necessary to contact other departments.

B.

When necessary for the departments to correspond with vendors on some technical matter, copies of that correspondence should be sent to the purchasing agent.

§ 16-7 Availability of funds as prerequisite to purchase.

A.

Financial Manual

The purchasing agent shall refuse to issue any purchase order until there has been certification that there is to the credit of the requesting department a sufficient unencumbered appropriated balance, in excess of all unpaid obligations, to defray the amount of such order.

B.

Before any purchase is made, the purchasing agent shall determine the availability of sufficient funds to cover the purchase. If funds are unavailable, the department head shall be responsible for initiating the request for funds.

§ 16-8 Formulation of specifications.

It shall be the purchasing agent's responsibility to formulate, in conjunction with the user department, nonrestrictive specifications to ensure quality levels equal to the intended use of an item.

§ 16-9 Nondiscrimination provisions required in certain contracts. [1]

Every contract of over \$10,000 shall include the following provisions:

A.

During the performance of this contract, the contractor agrees as follows:

(1)

The contractor will not discriminate against any employee or applicant for employment because of age, race, religion, color, sex, national origin, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

(2)

The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.

(3)

Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

B.

The contractor will include the provisions of the foregoing Subsection A(1), (2) and (3) in every subcontract or purchase order of over \$10,000 so that the provisions will be binding upon each subcontractor or vendor.

[1]

Editor's Note: See Virginia Code § 2.2-4311.

§ 16-10 Contract pricing arrangements. [1]

A.

Except as prohibited herein, public contracts may be awarded on a fixed price or cost reimbursement basis, or on any other basis that is not prohibited.

Financial Manual

B.

Subject to the limitations of this section, any type of contract which is appropriate to the procurement and which will promote the best interests of the County may be used; provided that the use of a cost-plus-a-percentage-of-cost contract or a cost-plus-a-percentage-of-construction-cost contract are prohibited. A cost reimbursement contract may be used only when a determination is made in writing that such is likely to be less costly to the County than any other type or that it is impracticable to obtain the supply, service or construction item required except under such a contract.

[1]

Editor's Note: See Virginia Code § 2.2-4331.

§ 16-11 Multiterm contracts.

Unless otherwise provided by law, a contract for goods, services or insurance may be entered into for any period of time deemed to be in the best interests of the County, provided the term of the contract and conditions of renewal or extension, if any, are included in the solicitation and funds are available for the first fiscal period at the time of contracting. Payment and performance obligations for succeeding fiscal periods shall be subject to the availability and appropriation of funds. When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal period, the contract shall be canceled without liability to the County.

§ 16-12 Progress payments and retainage on construction contracts. [1]

A.

In any public contract for construction which provides for progress payments in installments based upon an estimated percentage of completion, the contractor shall be paid at least 95% of the earned sum when payment is due, with not more than 5% being retained to ensure faithful performance of the contract. All amounts withheld may be included in the final payment.

B.

Any subcontract for a public project which provides for similar progress payments shall be subject to the same limitations.

[1]

Editor's Note: See Virginia Code § 2.2-4333.

§ 16-13 Modification of contracts. [1]

A.

A public contract may include provisions for modification of the contract during performance, but no fixed-price contract may be increased by more than 25% of the amount of the contract or \$50,000, whichever is greater, without the advance written approval of the County.

B.

The County may extend the term of an existing contract for services to allow completion of any work undertaken but not completed during the original term of the contract.

Editor's Note: See Virginia Code § 2.2.4309.

[§ 16-14 Performance and payment bonds generally. \[1\]](#)

Road construction contracts are governed by separate terms and administered by the County Engineer's office.

[A.](#)

Upon the award of any public construction contract exceeding \$100,000 to any prime contractor, such contractor shall furnish to the County the following bonds:

[\(1\)](#)

A performance bond in the sum of the contract amount conditioned upon the faithful performance of the contract in strict conformity with the plans, specifications and conditions of the contract.

[\(2\)](#)

A payment bond in the sum of the contract amount. Such bond shall be for the protection of claimants who have and fulfill contracts to supply labor or materials to the prime contractor to whom the contract was awarded, or to any subcontractors, in the furtherance of the work provided for in such contract, and shall be conditioned upon the prompt payment for all such material furnished or labor supplied or performed in the prosecution of the work. Labor or materials shall include public utility services and reasonable rentals of equipment, but only for periods when the equipment rented is actually used at the site.

[B.](#)

Each bond required by this section shall be executed by one or more surety companies selected by the contractor, which surety or sureties are legally authorized to do business in the commonwealth.

[C.](#)

Bonds required by this section shall be made payable to the Board of Supervisors of Buchanan County, Virginia, and shall be filed with the Board or an office or official designated by the Board.

[D.](#)

Nothing in this section shall preclude the purchasing agent from requiring payment or performance bonds for contracts other than those specified in Subsection [A](#) above, in amounts to be determined by the purchasing agent and specified in the invitation to bid.

[E.](#)

Nothing in this section shall preclude such a contractor from requiring each subcontractor to furnish a payment bond with surety thereon in the sum of the full amount of the contract with such subcontractor conditioned upon the payment to all persons who have and fulfill contracts which are directly with the subcontractor for performing labor and furnishing materials in the prosecution of the work provided for in the subcontract.

[F.](#)

In lieu of a performance or payment bond required by or under this section, a contractor may furnish a certified check or cash escrow in the face amount required for the bond, or upon

Financial Manual

approval by the County Attorney, a personal bond, property bond or bank or savings institution's irrevocable letter of credit.

[\[1\]](#)

Editor's Note: See Virginia Code §§ 2.2-4337 and 2.2-4338.

[§ 16-15 Action on performance bonds. \[1\]](#)

No action against the surety on a performance bond given pursuant to § [16-14](#) shall be brought, unless within one year after:

[A.](#)

Completion of the contract, including the expiration of all warranties and guarantees; or

[B.](#)

Discovery of the defect or breach of warranty, if the action be for such.

[\[1\]](#)

Editor's Note: See Virginia Code § 2.2-4340.

[§ 16-16 Action on payment bonds. \[1\]](#)

[A.](#)

Subject to the provisions of Subsection [B](#) hereof, any claimant who has performed labor or furnished materials in accordance with the contract for which a payment bond has been given pursuant to § [16-15](#) and who has not been paid in full therefor before the expiration of 90 days after the day on which such claimant performed the last of such labor or furnished the last of such materials for which he claims payment may bring an action on such payment bond to recover any amount due him for such labor or material, and may prosecute such action to final judgment and have execution on the judgment.

[B.](#)

Any claimant who has a direct contractual relationship with any subcontractor from whom the contractor has not required a subcontractor payment bond but has no contractual relationship, express or implied, with such contractor may bring an action on the contractor's payment bond only if he has given written notice to such contractor within 180 days from the day on which the claimant performed the last of the labor or furnished the last of the materials for which he claims payment, stating with substantial accuracy the amount claimed and the name of the person for whom the work was performed or to whom the material was furnished. Any claimant who has a direct contractual relationship with a subcontractor from whom the contractor has required a subcontractor payment bond, but who has no contractual relationship, express or implied, with such contractor may bring an action on the subcontractor's payment bond. Notice to the contractor shall be served by registered or certified mail, postage prepaid, in an envelope addressed to such contractor at any place where his office is regularly maintained for the transaction of business. Claims for sums withheld as retainages with respect to labor performed or materials furnished shall not be subject to the time limitations stated in this subsection.

[C.](#)

Any action on a payment bond must be brought within one year after the day on which the person bringing such action last performed labor or last furnished or supplied materials.

Financial Manual

D.

Any waiver of the right to sue on the payment bond required by this section shall be void unless it is in writing, signed by the person whose right is waived and executed after such person has performed labor or furnished material in accordance with the contract document.

§ 16-17 Unauthorized purchases.

Except as otherwise provided in this policy, no County official, elected or appointed, or County employee shall purchase or contract for any goods, services, insurance or construction within the purview of this policy, other than by and through the purchasing system, and any purchase order or contract made contrary to the provisions of this section is void and the County shall not be bound thereby.

§ 16-18 Public access to procurement information. [1]

A.

Except as otherwise provided herein, all proceedings, records, contracts and other public records relating to procurement transactions shall be open to the inspection of any citizen or any interested person, in accordance with the Virginia Freedom of Information Act. Cost estimates relating to a proposed transaction prepared by or for the County shall not be open to public inspection. Any bidder or offeror, upon request, shall be afforded the opportunity to inspect bid and proposal records within a reasonable time after the opening of all bids but prior to award, except in the event that the County decides not to accept any of the bids and to reopen the contract. Otherwise, bid and proposal records shall be open to public inspection only after award of the contract.

B.

Any inspection of procurement transaction records under this section shall be subject to reasonable restrictions to ensure the security and integrity of the records. Trade secrets or proprietary information submitted by a bidder, offeror or contractor in connection with a procurement transaction shall not be subject to public disclosure under the Virginia Freedom of Information Act; however, the bidder, offeror or contractor must invoke the protections of this provision prior to or upon submission of the data or other materials, and must identify the data or other materials to be protected and state the reasons why protection is necessary.

§ 16-19 Disposal of surplus property.

A.

All using departments shall submit to the purchasing agent, at such time and in such form as he shall prescribe, reports showing stocks of all supplies which are no longer used or which have become obsolete, worn out or scrapped.

Financial Manual

B.

The purchasing agent shall have the authority to transfer surplus stock to other using agencies, provided the receiving agency is tax exempt within the meaning of Internal Revenue Code Section 501(c)(3) or other relevant sections.

C.

The purchasing agent shall have the authority to sell all supplies which have been unsuitable for public use or to exchange the same for, or trade in the same on, new supplies.

D.

All sales of property pursuant to this section shall be sold on the basis of competitive bids, wherever feasible, to obtain the highest price and to insure the County receives compensation substantially equal to the fair market value of the item sold. The purchasing agent may require sealed bids, in his discretion.

§ 16-20 Recycled paper and paper products. [1]

A.

"Recycled paper and paper products" means any paper product meeting the EPA Recommended Content Standards as defined in 40 CFR Part 250.

B.

B In determining the award of any contract for paper or paper products to be purchased for use by any division, department or agency of the County, the purchasing agent for the County shall use competitive sealed bidding and shall award the contract to the lowest responsible bidder offering recycled paper or paper products of a quality suitable for the purpose intended, so long as the bid price is not more than 10% greater than the bid price of the lowest responsive and responsible bidder offering a product that does not qualify as recycled paper and paper products under this section.

[Amended 12-8-2008; 6-8-2010; 5-7-2012; 7-13-2015]

For the purpose of this article, "small purchases" shall be defined as purchases of goods, services, equipment, insurance, non-transportation construction or other items needed in the day-to-day operations of the County, the monetary value of which does not exceed \$50,000 and for contracts for single-user microcomputers and related peripheral equipment and services not expected to exceed \$50,000. Small purchase procurement procedures shall apply for the procurement of professional services for single or term contracts if the aggregate or the sum of all phases of such contracts is not expected to exceed \$50,000. However, use of small purchase procurement procedures for professional services is optional and the County at the discretion of

Financial Manual

the purchasing agent may issue an RFP using competitive negotiations for the procurement of professional services contracts anticipated to be less than \$50,000. Small purchase of non-transportation construction shall not waive compliance with the Uniform State Building Code.

§ 16-46 Procedure generally.

[Amended 12-8-2008; 6-8-2010]

Subject to the provisions of this article, the purchasing agent is authorized to develop, implement and revise, as needed, a small purchase procedure, which will ensure that the principle of competitive pricing is established and maintained and which shall also contain provisions for maintaining the confidentiality of legitimate trade secrets. Such procedure shall be reviewed and approved by the County at any time, but at least on an annual basis.

Financial Manual

§ 16-47 Purchases of less than \$2,500.

[Amended 12-8-2008; 6-8-2010; 5-7-2012]

A.

This section shall apply to purchases of less than \$2,500.

B.

A using department or agency may make purchases by utilization of a blanket order system to be developed and distributed by the purchasing agent. The purchasing agent has the authority to make purchases from vendors of choice so long as the purchase price does not exceed \$2,500. Contact requirements shall not be artificially divided so as to come within the provisions of this section.

§ 16-48 Purchases between \$2,500 and \$10,000.

[Amended 12-8-2008; 6-8-2010]

A.

This section shall apply to purchases between \$2,500 and \$10,000 in value and for the procurement of professional services of less than \$10,000. The purchasing agent may administratively make purchases of up to \$10,000 upon prior standing authorization from the County.

B.

After receipt of a purchase requisition from the using department or agency, at least three telephone quotations shall be obtained, whenever possible, for the purchase. A telephone quotation form shall be completed listing date, item, description, quantity, name of company, individual giving quote, pricing, term, and delivery schedule. In the event three quotations are not obtained the reasons shall be documented. The total of all items purchased from this requisition shall not exceed \$10,000.

§ 16-49 Purchases between \$10,000 and \$25,000.

[Amended 12-8-2008; 6-8-2010]

A.

This section shall apply to purchases between \$10,000 and \$25,000 in value. The purchasing agent may administratively purchase up to \$25,000 upon prior standing authorization from the County.

B.

Purchases shall be accomplished through the use of at least three letter quotations, whenever possible. A letter quotation is a written request sent to at least three vendors with a specified reply date and time. This is the most desirable method of acquiring necessary items and should be used when proper planning allows sufficient time. In the event three vendors are not obtained, the reasons therefor shall be documented.

C.

Financial Manual

The use of letter quotations requires adequate time for preparation, mailing, receipt and award, generally two or three weeks from receipt of the requisition. All quotations received after the reply date and time are nonresponsive and cannot be considered.

D.

Requests for letter quotations are issued by the purchasing agent. To initiate the letter quotations, the user department should submit a completed requisition to the purchasing agent, including a list of possible vendors, if available.

§ 16-50 Purchases between \$25,000 and \$50,000.

[Amended 12-8-2008; 6-8-2010]

A.

This section shall apply to purchases between \$25,000 and \$50,000 in value. The purchasing agent may administratively purchase up to \$50,000 upon prior standing authorization from the County.

B.

Purchases shall be accomplished through the use of at least five letter quotations, whenever possible. A letter quotation is a written request sent to at least five vendors with a specified reply date and time. This is the most desirable method of acquiring necessary items and should be used when proper planning allows sufficient time.

C.

The use of letter quotations requires adequate time for preparation, mailing, receipt and award, generally two or three weeks from receipt of the requisition. All quotations received after the reply date and time are nonresponsive and cannot be considered.

D.

Requests for letter quotations are issued by the purchasing agent. To initiate the letter quotations, the user department should submit a completed requisition to the purchasing agent, including a list of possible vendors, if available.

§ 16-51 Emergency small purchases.

A.

For the purposes of this section, an emergency shall be deemed to exist when a break-down in machinery or equipment or a threatened termination of essential services or a dangerous condition develops, or when any unforeseen circumstances arise causing curtailment or diminution of an essential service, or where materials or services are needed to protect the health of citizens, prevent the loss of life or the loss of property.

[Amended 2-9-2015]

B.

In the event that the purchasing agent or his delegee or the County Attorney is not available, a using department or member of the Board of Supervisors may make an emergency small purchase without complying with this article. Any department or member of the Board of Supervisors which makes such an emergency purchase shall inform the purchasing agent, in writing, of the circumstances surrounding the purchase, within one work day of the occurrence.

Financial Manual

[Amended 2-9-2015]

C.

Abuse of the provisions of this section shall be reported to the purchasing agent and the County.

§ 16-52 Alternative procedures.

When, in the judgment of the purchasing agent, it is in the best interest of the County to use purchasing procedures other than those specified in §§ [16-48](#), [16-49](#) and [16-50](#), he may prescribe, after consultation with the County Attorney and approval by the County, suitable purchasing procedures. The rationale for such decision shall be documented and put on file in the purchasing agent's office.

§ 16-53 Confidentiality of information prior to award.

Until an award is made under this article, the names of bidders, whether by phone, letter or sealed bid, are confidential, as are the prices quoted. Once an award is made, the information is open to public inspection, as provided in § [16-18](#) of this policy.
