- Racers and pit crews are responsible for picking up their own trash. Help us keep our pit area clean.

TECH PROCEDURE

Tech Procedures: All racers participating in their preferred class are responsible for understanding and following the rules set forth by Southern Gap Raceway. The rules are available on this website and will be available in a hard copy at the track. Please see track official for a copy of the rules.

TYPICAL TECH PROCEDURE:

The karts will be weighed as they exit the track after the feature race. Engines will be teched upon completion of the feature race.

WHAT HAPPENS WHEN A RACER IS FOUND ILLEGAL

If a racer is in violation of a rule or rules for a regular show, they will be disqualified for that race and you will lose your entrance fee. If you are found illegal 3 times in one class you will no longer be allowed to race in that class for the remainder of the year. If a racer is in violation of rules in a points race, they will be disqualified for that race and will lose all points earned on that day of racing and lose all entrance fees. If you are found to be illegal 2 times you will lose all points and will no longer be allowed to race in that class and you will lose all of your entrance fees.

ALL KARTS MAY BE SUBJECT TO TECH AT ANY TIME BY THE TECH AND TRACK OFFICIAL. Karts may be inspected at any time they are in the pit area. Southern Gap Raceway and the track officials will be diligent in enforcing our rules and will be doing so with regular teching. We will do our absolute best to provide fair and non-biased decision.
